

41075-DBE

Decora Brush Passthrough Insert, Black

The Decora® Brush Passthrough Insert offers a clean, professional appearance when cable needs to pass through a wall opening. The fibers of the brush protect the cables and close the opening to provide an aesthetically pleasing look. The brush insert installs on standard NEMA electrical boxes and low-voltage brackets. Single or multi-gang Leviton Decora wallplates (sold separately) complete the installation. Use for home theater, classroom, or conference room audiovisual installations.

ROHS Compliant : Yes

UPC Code : 078477865989

Country Of Origin : United States

Features and Benefits

- Provides clean, professional appearance when cables must pass through a wall opening
- White brush fibers protect cables while closing off wall opening
- Brush insert is compatible with Leviton Decora wallplates
- Can be used with a wide selection of single and multi-gang Decora wallplates in multiple colors, including stainless steel
- Not compatible with Decora Plus Wallplates when used with low-voltage box eliminators
