Decora Smart HomeKit 600W Dimmer

Decora Smart with HomeKit Technology 600 Watt Dimmer

DISCONTINUED

Suggested Replacement SKUs: : D26HD-1BW

Leviton's Decora Smart™ accessories with HomeKit™ technology are designed to streamline home control using HomeKit-enabled accessories. Apple® HomeKit technology provides an easy, secure way to control HomeKit-enabled accessories using Siri® voice control on your iPhone®, iPad® or iPod touch®. After installing your Decora Smart™ Dimmer, configure it from the Leviton Decora Smart Home app with just a few simple steps. The free Leviton app provides control of connected loads, grouping into rooms and zones for easy control, as well as access to customizable lighting control settings including fade rate, minimum/maximum brightness, LED response activity, bulb type selection and more. Multi-location (3-way) dimming is achieved using up to 4 remote units, DD00R-DLZ. Decora Smart devices are designed for countries which follow NEMA standards including the United States, Canada and parts of South America. ***Have Questions? Search the knowledge base.***

Features and Benefits

- The Decora Smart Dimmer is HomeKit-enabled using Wi-Fi technology for residential applications
